

Next Steps - Timeline

2010

- Begin process, consultation meetings with residents, gather background data

2011

- Initial analysis, public consultation

2012

Winter - draft preliminary options, public consultation

Spring - seek Council direction on further work for the Adjacent Area

Summer - analysis of a flat rate CAC, refine built form options

Fall - draft policy recommendations, public consultation, refine policy

***WE ARE HERE**

2013

- present recommendations to Council in early 2013

How Can I Provide Input?

1. Talk to a City staff representative here today
2. Fill out a comment sheet here today or on online.
3. Write a letter or email to City staff in the planning department
4. Address City Council when the policies are presented by staff in late January 2013

Please leave your name and contact details at the sign in table to be sure we can notify you of the date and time of the Council date.
